

# The Monthly Lasallian World Youth Day Bulletin

## Did you know?

The city of Krakow was founded more than a thousand years ago. The legend says that a mythical ruler, Krakus, founded the city on the Wawel Hill after killing the dragon that inhabited it. It has always been a very important city in Poland and continues to be so up until now. Its Historic Centre has also been declared World Heritage Site by UNESCO, and Karol Wojtyła was archbishop of Krakow before eventually becoming Pope John Paul II in 1978.

Dear Lasallians,

We are now less than two months away from World Youth Day and I hope your preparation for the gathering on July 27<sup>th</sup> is going well! More details on the venue of the gathering and the exact time soon. Meanwhile, we are very proud to reveal to you the official logo of the Lasallian World Youth Day!

It is inspired from the official logo of the World Youth Day and also has some distinctive elements that portray our Lasallian identity. The Brother is accompanying the young person in its journey towards God. The cross symbolizes Jesus, whom is at the center of our gathering and our Mission. The words “Young Lasallians” in different languages surround the logo, providing the context in which our Mission is carried out.

We hope you like it, and you will definitely see it often from now on!

Stay tuned, more to come very soon!

See you in Krakow!

One of the main places to visit during the next World Youth Day is the Vocations Center, where it will be possible for all to learn more about different congregations and other organizations and about the many ways to live their vocation. And the Lasallian Family will have its own stand! It will be open from Tuesday July 26<sup>th</sup> to Friday July 29<sup>th</sup>, from 9:00 am to 5:00 pm. You are invited to come and visit us at the stand and to share the joy of the Lasallian Mission with the other pilgrims!
